

Fire evacuation procedure

In the event of a fire in this building, we follow a **Stay Put** policy set by an independent fire risk assessor.

This means that **only residents in the flat where the fire has started need to escape initially.**

Other residents **stay put and remain in their own flats.**

Only leave the building if:

- Your flat is affected by fire or smoke
- You feel threatened
- You are instructed to leave by the Fire and Rescue Service

If you are in a communal area of the building - **leave the building immediately from the nearest exit.**

If you'd like to know more about fire safety or the arrangements in your building, please contact us on 0330 343 0016 (local rate) or customer.service@settlegroup.org.uk.
