Big Door Knock

The Big Door Knock will have colleagues from across settle, our board and executive team meet residents in their homes to find out how they are doing and if there is any more we can do to improve our services.

The purpose of this Big Door Knock is to speak to residents about the Jackmans Neighbourhood Plans, so we can understand what's working well and where improvements are needed.

Drop in and see us in Jackmans Community Centre too where we would love to hear your thoughts on the Neighbourhood Plans and what's important to you!
